

I have been a member of the XM community for more than two years now and I have very happy with my decision. I now have options. I have been provided with the option to listen to most anything I like, whenever I like. I remember while driving through Wisconsin, and hearing about Senator Wellstone and his family. While on a trip to Chicago, I was able to tune into XM for the latest traffic and weather. I have enjoyed and appreciated the freedom to choose. I would hate for the National Association of Broadcasters to limit my options or take away my freedom to choose.

Thank you for listening
